

Memorandum of Understanding

ICTP-ECAR (ICTP – Eurasian Centre for Advanced Research) At Izmir-Turkey (hereinafter called Center) and

The Research Institute for Applied Physics & Astronomy (RIAPA) located at University of Tabriz-Iran (hereinafter called Institute)

As frequent and continuing contact between the Center and Institute in common working fields is required to create such scientific environment towards further development both in science and its applications in the world around, and

Understanding of the effective role of the center in expanding such scientific relation worldwide in respect to the involved disciplines as theoretical and experimental physics, photonics, plasma engineering and astrophysics,

have agreed as follows:

- 1- Scientists of the institute active in research will visit the Center at times and for periods to be determined jointly by Institute and the Center. Such visits will coincide with ongoing activities at the Center which are directly relevant to the field of specialization of individual scientists concerned.
- 2- The selection of scientists for such visits shall be made by the Institute, in consultation with the Center, and this shall be done on a broad basis so as to permit as many of its staff, who is able to do so, benefit from such contact. In making a selection, advice received from the appropriate Institute advisory body will be taken into account.
- 3- The expense of visits undertaken subjected to this Arrangement can be financed on a cost-sharing basis, if it is possible, and visitors may use discounts for registration fees for scientific events in the Center. This discount would be assigned by the Center.

- 4- The primary purpose of this Arrangement is to make provision, where, scientists in the Institute will visit to the Center; however, the parties to this Arrangement may agree to provide scientists in the Center with visiting to the Institute. The terms and conditions of such visits will be the same as outlined above.
- 5- Center and Institute contribute in organizing scientific events, and holding scientific committees , whereas, it is not the subject of the official limitations.
- 6- This Arrangement shall enter into force upon signature by the Directorship of the center and the authorized representative of the Institute.
- 7- This Arrangement shall terminate on 25 May 2018 unless extended by the parties thereto.

The Directorship of ICTP – Eurasian Centre
for Advanced Research

Prof. R. Tuğrul Senger

Tabriz, Iran, 25 May 2015

The President of University of Tabriz

Prof. Mohammad-Reza Pour-Mohammadi
